

## Our Vision Statement

Where Happy Learners Grow

### Spellings

Year 2 children now have log-ins for Spelling Shed in their reading records. They can access their weekly spelling words there and play games to practise the spelling rules. There is also a paper copy of the spelling list in their reading record.

All children on the RWI programme have brought home a paper copy of the Red words (tricky words we can't sound out) to practise reading and spelling. Please support your child with this.

### Reading at Home

Please continue to make hearing your child read a priority at home. Children on the RWI programme bring their paper book home after their third read at school for a show-off read. **It is vital that they read to an adult at home so please dedicate time for this.** They will also bring a matched book-bag book home on other days to read to you as well as a library book to share together.

If you have any questions about RWI, or how to support your child further with their reading, please speak to Mrs Dowker.
