

Our Vision Statement Where Happy Learners Grow

Seaweed Workshop

Yesterday, Mohegan class spent the day doing a seaweed workshop with River, Kerry and Ruth from The Seaweed Institute. They spent the morning learning about the different types of seaweed, looking at how the moon effects the tides. In the afternoon we braved the rain and headed down to the beach to explore the creatures and seaweeds in their natural setting.

The children had a great time sketching all the things they found.

Three Little Pigs

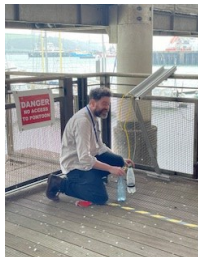

On Wednesday, Primrose Class were challenged with designing and making houses for the three little pigs. All of a sudden, an actual wolf appeared outside and tried to blow their houses down!

Primrose Class Trips

Primrose Class have really benefited from their two recent trips to, firstly the Maritime Museum and then yesterday we took ourselves on a tour of Helston to find out what lasting impact Henry Trengrouse has had on our lives today.

Both trips were so informative and the children have retained so much information about this significant local figure.

Bag2School

A massive thank you to our PTFA for organising the Bag2School collection and everyone for their donations. They raised an amazing £120 for the School. Thank you

Wacky Hair Day

Wow, the children looked amazing with their wacky hair today. Thank you all for supporting the Aspire Connect 40. Even Gary in Mohegan Class made an effort.

Due to the weather this afternoon, we will now be completing our PE activity in support of Aspire Connect 40 next Friday.

It is not too late to donate. The link to donate is below.
