### Primrose Class

Reception children have been consolidating the sounds they have learned so far by exploring with sand, stones and letter tiles! It's great for their fine motor skills and hand/eye co-ordination; as well as practising their sounding out and the beginnings of blending to make cvc words.

## Do you have a child born **between 1 September 2018** and **31 August 2019?**

If so, you will need to apply for a place in a reception class in September 2023 for that child by the deadline of **15 January 2023**.

**Please note:** you will need to apply even if your child attends a school's nursery or pre-school class. If a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.
