

## Our Vision Statement Where Happy Learners Grow

### Sailing

On Thursday we headed back to the Helford River and had another brilliant sailing sessions.

The child's confidence has grown so much since the first session and it is amazing to see the children pushing themselves on the water.

They should all be very proud of themselves.

### Sports Day

On Wednesday we joined other schools from Aspire to take part in the first Aspire Lizard Sports Festival. During the morning we took part in different activities such as ultimate frisbee, javelin, archery and bean bag toss. In the afternoon we were joined by parents and had running races against each other and other school.

Scores from the morning games were tallied together and we came out as overall winners. Well Done Coverack School.

Coverack School showed amazing sportsmanship and encouraged each other throughout the day. All the staff at Coverack School are incredibly proud of the children.

A big thank you to DT Coaching for organising such a brilliant day.

Any changes will be emailed out to parents the day before.

We apologise for any inconvenience this causes. Thank you

## Primrose Class

Please can we continue to make reading at home a priority

The expectation is that children are reading every day at home: either their book-bag book or their show-off read for their core story-book (after three reads in class).

For Reception/ Year 1 children their 'show-off' read needs to be completed on the day they bring their book home so that they can keep up with their RWI group in class .

Year 2 children who have moved onto short chapter books need to be reading daily at home - either to themselves or to an adult .

*"Teach a child to read and keep that child reading and we will change everything. And I mean everything".* This quote epitomises the intent of the Read Write Inc. programme . We want children to learn to read quickly and accurately and to then keep on reading

As parents please support us in promoting reading not only as a task set by teachers in school but as a life-long activity that provides pleasure and escape from the modern world.

Thank you for your continued support!
