Your own clothes
Bag 2 School is a company that specialises in the reuse and recycling of good quality second-hand clothing and we have arranged to make a collection from your school. All the bags will be weighed and you will be paid for the total weight collected. Remember, the more you collect the greater the benefit to your school.

Your own bags
By using this paper leaflet we are helping to reduce unnecessary extra plastic. Please use your own bag or bags (there is no limit). The leaflet is FSC accredited, please recycle it.
When the clothes have been removed from the bag the plastic will be packed and sent for recycling.

We are collecting good quality items for RE-USE:
Men's, ladies' & children's clothing, paired shoes, handbags, belts & accessories.
(No uniforms, workwear, pillows, duvets or pieces of fabric please)

The more we weigh the more we pay!

Heavy Cake Recipe

350g/12oz Plain Flour
2.5ml/1/2 tsp Salt
175g/6oz of Lard
75g/3oz caster sugar
175g/6oz currents
A little chopped mixed peel
150ml mixed milk and water
1 egg beaten

Place the flour and salt in a bowl, then rub in the lard until the mixture resembles bread-crumbs, stir in the remaining dry ingredients. Gradually add enough milk and water to make a stiff dough. It will not take very much. Roll out on to a greased baking sheet to about 1 cm thick.

Glaze with beaten egg. Draw a criss-cross pattern on the top with the tip of a knife. Bake in a preheated oven at 160 centigrade for about 20 minutes until golden. Allow to cool, then cut into squares.
