

Our Vision Statement

Where Happy Learners Grow

English This Week

This week in our English lessons we have launched our new writing units. In Primrose Class the children have been learning 'The Three Wishes' story and on Monday they were introduced to the story using some interesting props, including a dead fish and a string of sausages! In Mohegan Class the children have been learning The Warehouse story. The children in Mohegan Class were delivered a very important letter on Monday morning to inspire them as they start to learn the story—why not ask your child if they can retell it to you?

Primrose Class have brought a copy of the story map home to practice retelling with the actions.
